PETITIONING THE COURT

[X] To issue a summons

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

I Violation of Special Condition: The defendant is to reside at the Lawrence Correctional Alternative Center for the first four months of supervision.

On March 23, 2007, Mr. Rivera reported as instructed to the Lawrence Correctional Alternative Center (CAC). According to an incident report received from the Essex County Sheriff's Office, dated 6/25/07, Mr. Rivera was terminated and ordered off of the facility after an incident that evening at approximately 7:25pm. According to the report, a count was scheduled for 7:00pm; however, Mr. Rivera did not appear for the count until 7:28pm, after repeated calls on the paging system. When Mr. Rivera showed up for the late count, he was instructed to have a seat on the bench in the lobby area. Mr. Rivera refused this order, stating that he would not sit on the bench until 8:00pm and proceeded to return to his room upstairs. Officers went to Mr. Rivera's room, where they located him outside of the room and instructed him to return to sit on the bench. On the way down to the bench Mr. Rivera stated

that he did not "give a fuck if he got kicked out of the facility." Mr. Rivera reportedly referred to one of the officers as a "steroid freak." Mr. Rivera was subsequently terminated from the program.
